

## *Breeding Terms for Trinity Labradors*

A Litter shall be considered a litter if at least **two live puppies** are whelped.

**Stud Fee Within the USA for all of our stud Dogs is \$1500.00**

We do offer a \$500.00 Service Fee. It is a down payment towards the Stud Fee with the balance of \$1000.00 due **immediately** after the puppies are born.

### ***REPEAT BREEDING***

If the bitch fails to produce a litter a repeat breeding will be given; a Service Fee is paid again for a repeat breeding. The owner of the bitch must still pay for the shipping, extender, boxes etc. If the original stud is no longer available for service, the bitch owner may choose any other stud dog owned by Trinity Labradors.

If the original bitch is no longer available to fulfill the breeding, another bitch may be substituted. **There will be no refunds of Stud Fees.**

### **Visiting Bitches**

All visiting bitches will be required to have brucellosis test.

### **FRESH CHILLED SHIPMENTS**

**A FedEx number and/or credit card will be required before the breeding for the shipping charges.**

The owner of the bitch will be responsible for all expenses pertaining to the shipping of chilled semen. We use our local vet, Volunteer Veterinary Hospital in Alcoa, TN, These expenses include our veterinarian charges for collection & evaluation, extender, shipping kits, packaging, as well as FedEx charges. **These expenses are due at the time of the breeding.**

**All bitches being bred are required** to have progesterone testing done prior to breeding to determine optimal time of ovulation and breeding.

After a litter is whelped, breeder will complete Online AKC Litter Registration Form. Trinity Labradors will Approve the Owner of the Sire portion of the form. We will then forward forms on to AKC.

A copy of the bitch pedigree and all clearances are required before breeding. This can be emailed to us at [dogsoftrinity@gmail.com](mailto:dogsoftrinity@gmail.com).
